OBJECTIVE

A veteran of the restaurant industry for over 14 years, I have experience working as part of a team in a fast paced, ever-changing environment. I also have practical experience in designing, developing, and launching a product. I am seeking to leverage this experience to enter the tech industry.

I specialize in Web/UI/UX design with JavaScript frameworks such as React and Svelte, as well as developing full stack applications with the PERN stack.

ALEX WIEGAND

EXPERIENCE

Bambara Kitchen and Bar

Lead Bartender • February 2018 – February 2021
Cambridge, MA

Saloon

Bartender • March 2017 – February 2018
Summerville, MA

Park Restaurant and Bar

Bartender • January 2016 – September 2017
Cambridge, MA

Over my career I have created new cocktail menus and respectively trained front of house staff quarterly, as well as trained new bartenders upon hire. I have hosted and arranged pop-up bars and cocktail competitions. At Bambara Kitchen and Bar I helped reduce back stock by nearly 10,000 USD.
